# Dedication

This year, the yearbook staff chose to dedicate the yearbook to Kathleen Weaver, a woman who truly embodies North Shore Country Day's motto, "Live and Serve". Senora Weaver teaches Spanish in both the Upper and the Middle Schools, she is a sponsor of the International Club, she assists as a track coach, and she is also the head of the school's branch of *Amigos de las Americas*. What we appreciate most about Senora Weaver, however, is her willingness to volunteer when nobody else will; for her, there is no job too big or too small. There is no one at this school who brings more enthusiasm and eagerness to her job while, at the same time, keeping an ineffaceable smile on her face. Senora Weaver is extremely caring and sensitive, and extends her generosity to all the members of the community. Whether bringing flowers to students after plays, cheering at sports games, or unfailingly attending any school function to support her students and coworkers, she epitomizes the warmth and commitment for which North Shore teachers are known. The aforementioned qualities make Senora Weaver the perfect choice for this year's dedication, a recognition which merely touches upon the surface of the admiration we have for her. It is a pleasure and a privilege to dedicate the 2001-2002 yearbook to Ms. Kathleen Weaver.

# Homecoming 2001

Homecoming this year was extremely successful. The festivities launching Spirit Week started on Monday and included PJ Day, Cowboy Day, Hawaiian Day, Celebrity Day, and Purple and White Day. Friday's pep rally, run by seniors Brian Jessen and Brendan Leonard, was one of the best that we have seen. Athletic contests began Friday afternoon, followed in the evening by the traditional bonfire. Kickoff for Saturday's football game was preceeded by members of all sports teams taking the field to participate in a rousing rendition of the national anthem as a tribute to the events of September 11. Alums from several classes met to renew old friendships, and some to participate in the tradional field hockey quest for the "Purple Buddha" (won this year by the varsity team).

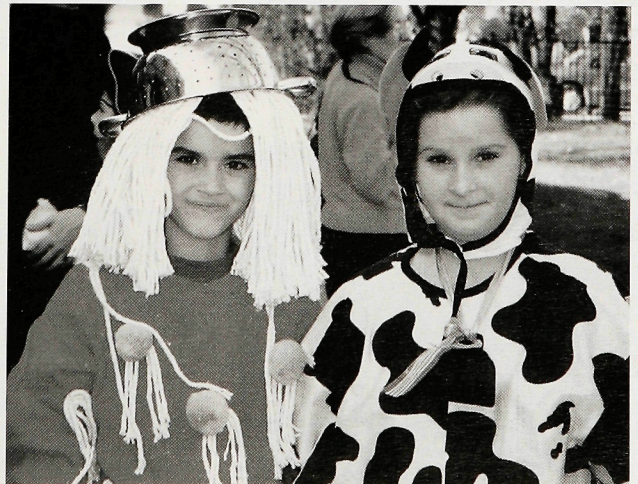

# Halloween

Halloween Morning Ex is a beloved North Shore tradition. It gives everyone in the school a chance to see all the lower schoolers, middle schoolers, and occasionally upper schoolers and faculty and their costumes. Naturally, the crowd's favorites are the junior and senior kindergarteners who attract the most attention.

# Interim

Interim Week took place from November 5 to November 9, 2001. It was a week when the entire Upper School participated in activities outside of school. The activities ranged from community service to foreign travel to internships.

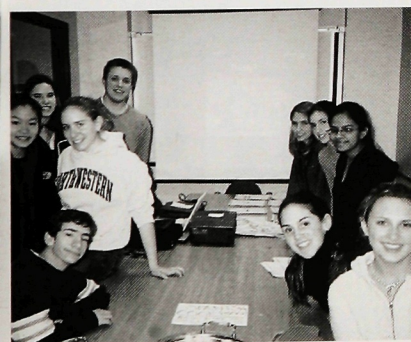

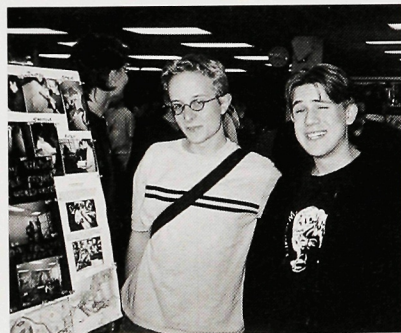

# Interim

Interims participated in this year:

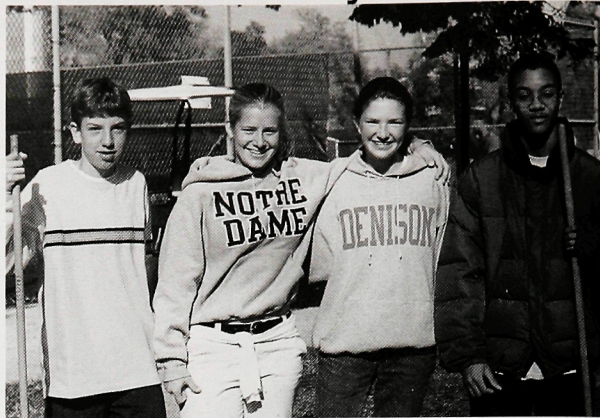

- Molloy Education Center
- Bilingual Tutoring
- Volunteering at Wealshire Soup Kitchen
- Mural Project at Good News
- Volunteering at Evanston Hospital
- The Spanish Kitchen
- Behind the Scenes at the Shedd Aquarium
- Model Building
- Rugby
- Exploring Chinese and Japanese Culture in Chicago
- Hands-on Latin Music and Dance
- Chicago Golf
- Taste of Chicago's Neighborhoods
- La Belle France
- Improvisation at Second City

# Workdays

## Not To Be Mistaken With School Days

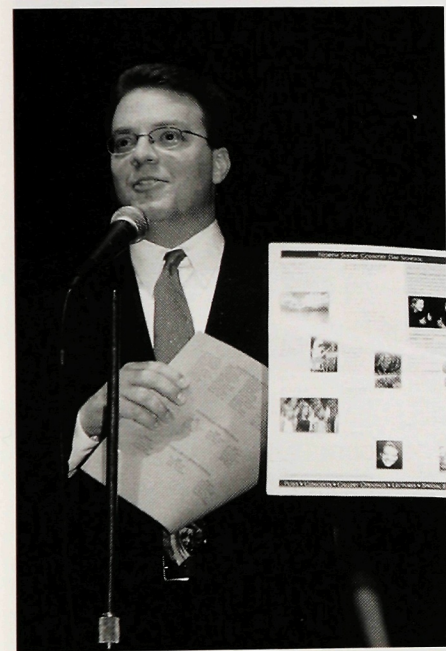

Workdays are a time for the students to join forces to beautify the school as well as enjoy time spent with their buddies. Traditionally, seniors and JK/SK plant bulbs while the other grades pick up trash and rake leaves. Juice and doughnuts are served to sustain energy, which is much needed for the game "duck-duck-goose" at the end.

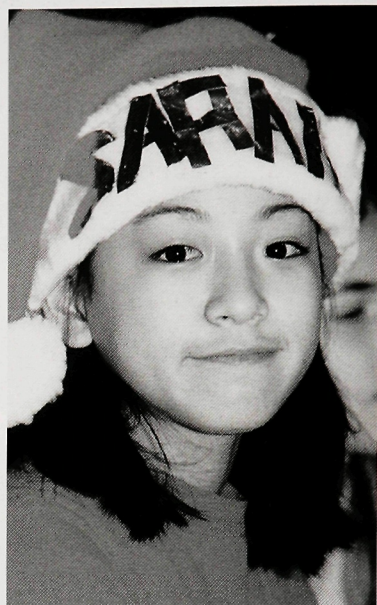

# Winter Concert

This year's Winter Concert featured stylistic renditions of many holiday favorites and new material from each of the school's talented choruses. The Lower School led by Linda Kirbashi and the Middle and Upper Schools led by Michael Querio showed their musical expertise by putting on a wonderful concert that exceeded expectations and left the whole audience feeling in a very festive mood. This concert was a treat for everyone who attended.

# Holiday Celebration

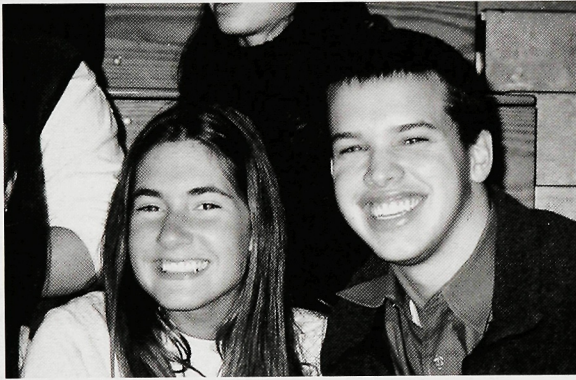

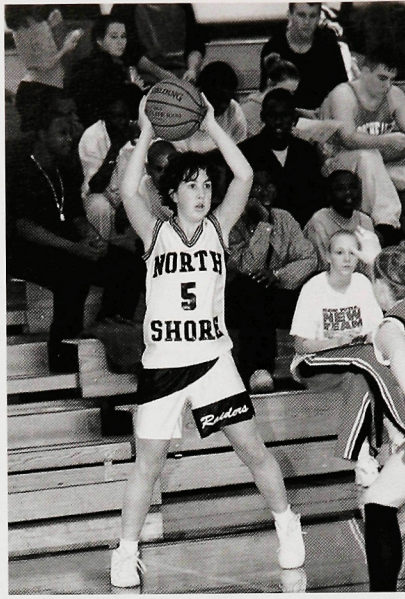

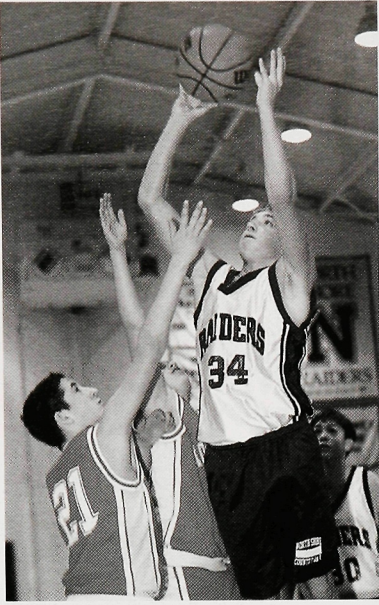

This year's holiday celebration consisted of the traditional holiday MEX with singing from the lower schoolers and the presentation of the holiday dances. These were times when the whole school could come together to enjoy one another's company, be thankful for everything they have, and take in the entertainment. The focus of this year's holiday dance was to provide students with a more multicultural experience. Each grade and their buddies performed dances from countries around the world and students of different faiths shared their holiday celebrations.

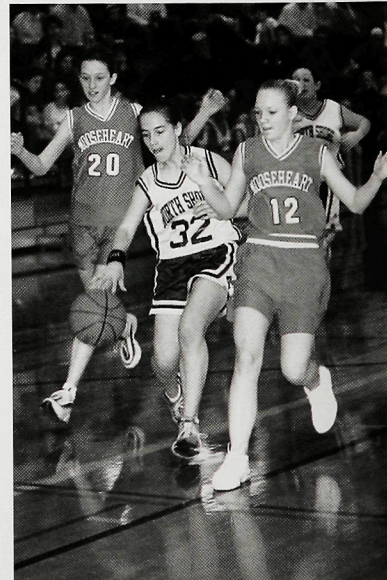

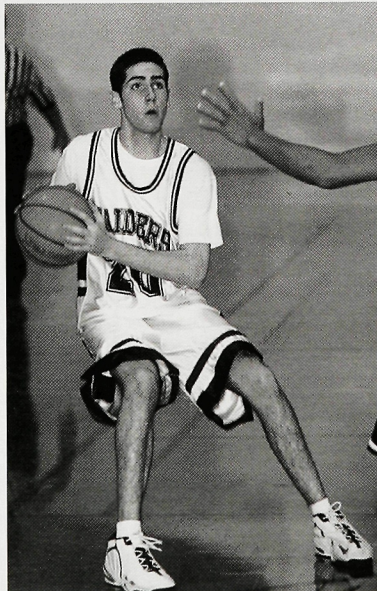

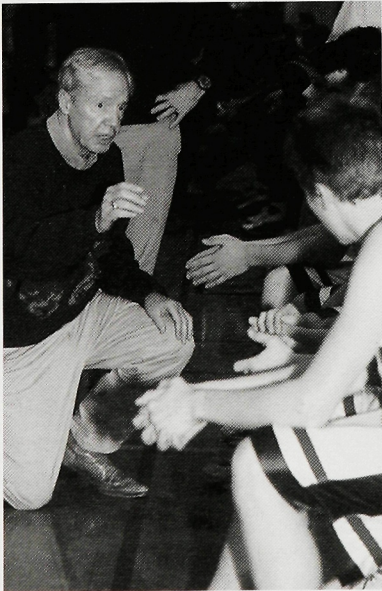

# Basketball Bash

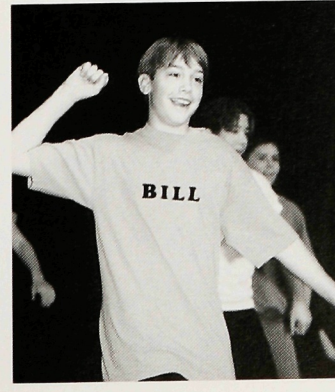

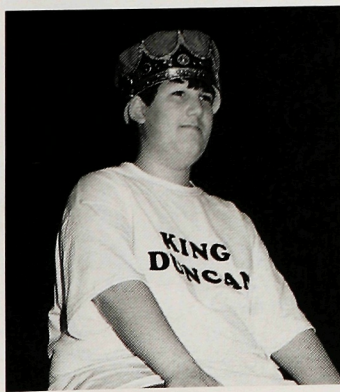

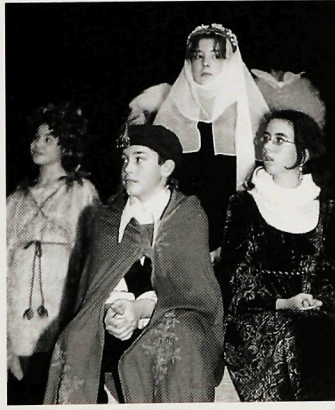

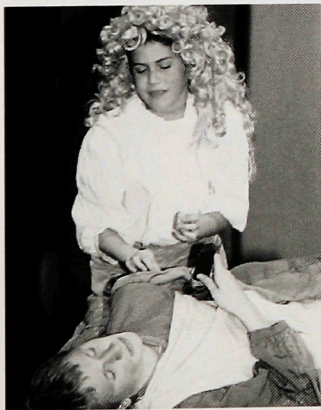

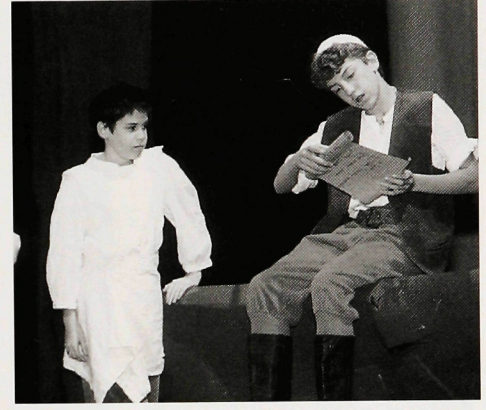

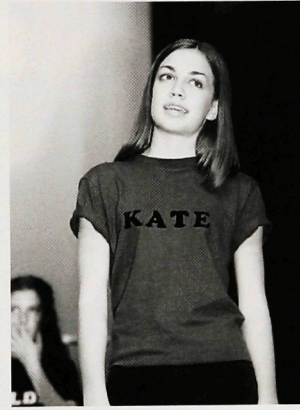

The Basketball Bash is our “winter homecoming.” Every year all of the basketball teams are matched up with Mooseheart Academy in competitive games. By day’s end we had only dropped one game, but more importantly we consistently displayed the degree of sportsmanship for which our school is known. Our North Shore fans came out in full force, making the biggest crowds we’ve seen all year. Congratulations to all for an excellent Saturday of “hoops.”

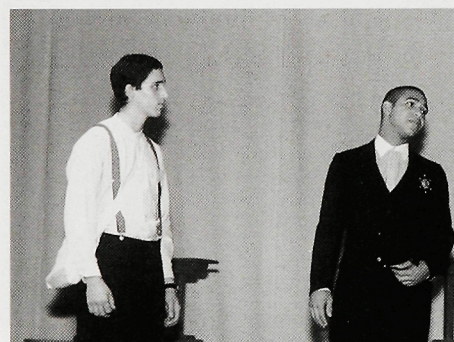

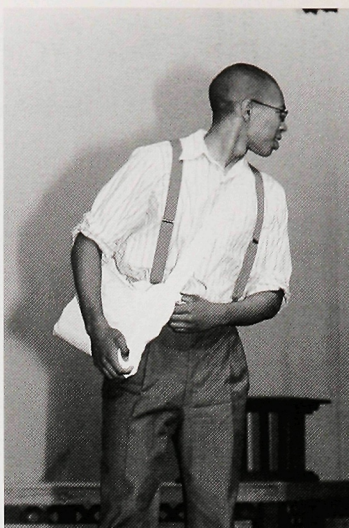

# Middle School Play

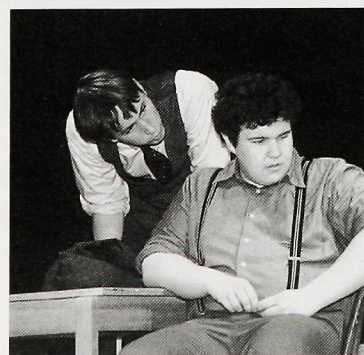

This year Middle School students performed a modern version of Shakespeare's "MacBeth", plus the bard's "A Midsummer Night's Dream." It was fun, but a lot of hard work too. From endless practices to reblocking scenes, the entire cast and crew were always busy. However, they were all happy finally to put on the shows. The end result would not have been possible without Mr. Leesch's directoral skills and patience. Thanks from all. Great Job!

# Our Town

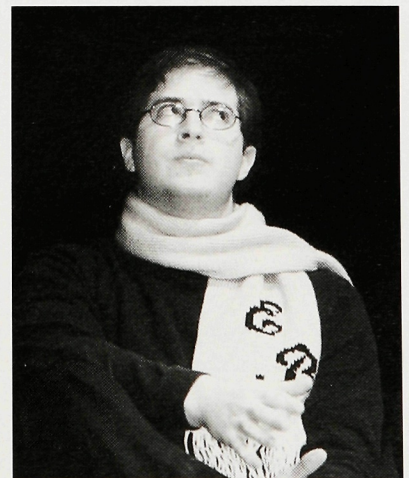

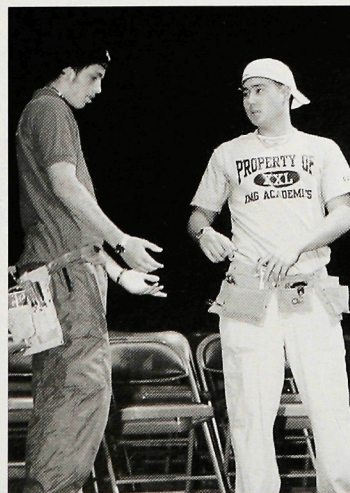

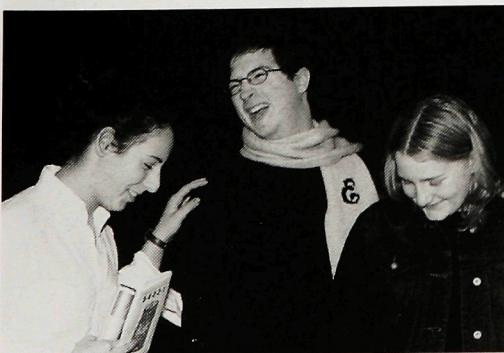

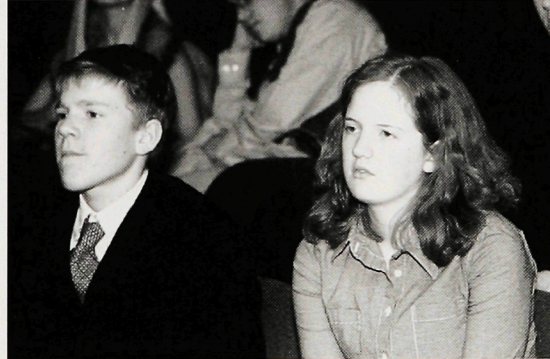

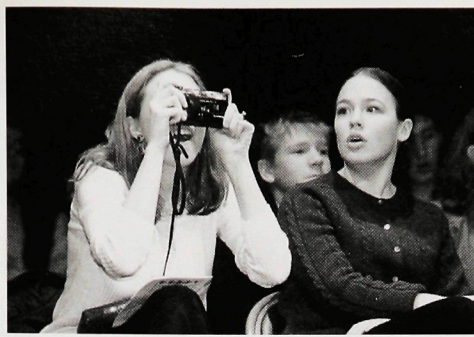

*The Fall play this year was the classic story "Our Town," by Thornton Wilder. It is the poignant tale of a small country town and its inhabitants. The play speaks through vignettes, wherein the trials and tribulations of human existence are explored by each character. The parts were played superbly by approximately twenty High School students and two High school teachers. The play was a tremendous success, as exemplified by the many tears the audience was seen shedding.*

# A NIGHT OF COMEDY

"An Evening of Comedy" was presented by 35 Upper School actors on January 18 and 19. The evening consisted of four comedy sketches: "The Electricians," "Another Saturday Night," "Auditions" and Michael Fryan's one act play "Audience." The performances were in the Activities Room, giving the audience an opportunity to experience theatre in an alternative space with a "thrust" stage. The evening was such a huge success that an extra performance had to be added to accomodate the demand from two sold out evenings.

The Mirror staff had quite a difficult time this year. The Cavanaughs, who had in the past shouldered much of the yearbook burden, were suddenly all gone. What was this new staff going to do? None of us really had any experience with the publishing world, but this only showed for the first few meetings. After we got the hang of it, things started to run much more smoothly. Our next obstacle was the quality of the Mirror. Our mandate was to “kick it up a notch.” With a few snags, some long weekends, and after a few stern talks/threats by our faculty advisors, we were finally able to complete the yearbook. We’ve produced something of which we are proud.

- The Editors

Crazy late night shenanigans brought forth by hunger, stress and improperly prepared senior pages.

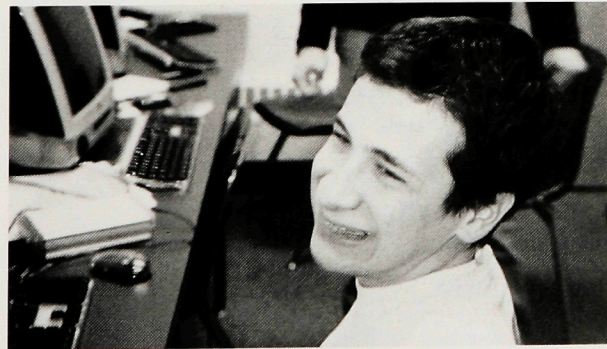

Emily: “DJ! My eyes are up here!”  
DJ: “Hmm? What’d you say?”

“Only 7 hours left until I have to go home! Time flies when you’re having fun!”

We cropped a lot of photos.

“I’m soooooo hungry... But I love the yearbook!”

“We’re super done!”

# Middle School Student Council

Middle School Student Council has accomplished many things this year. We sold candy grams and held a penny drive for charity. We also donated stuffed animals to the children affected by September 11th, and honored them in our Red, White, and Blue Social. We also organized numerous socials.

# Model UN

Model United Nations is a club in which we increase our understanding of international relations and of the current issues facing our world. We learn about public speaking skills as well as about cooperation and teamwork. So far, North Shore students have attended MUN conferences at Carthage and at Harvard and will soon attend a conference at University of Chicago. The club has had a fun, interesting, and successful year. Model UN is the best!

After the recent events in our world, the Community Service Organization recognizes the need for generosity, understanding, and philanthropy. This year we have been working hard to translate the school's motto "Live and serve" into action. We have completed three monthly drives and there are currently groups of students who consistently do service work at The Good News Soup Kitchen, The Inspiration Café, Molloy, and the Wealshire Home for Alzheimers Patients. The Community Service Organization is excited about the projects in which we will participate throughout the rest of the year.

P.I.L.L.O.W.S is a club that hosts student open-mics once a month on Friday nights. It offers a carefree, non-judgmental, and supportive environment in which students can share their creative talents or just have fun with friends. The benevolent leadership this year was comprised of seniors Robert Rex-Waller and Nate Flint, as well as the not so benevolent leadership of Vicki Syal, who remains a force of evil in all of our lives. With food provided, you can't lose.

# U.S. Student Council

This year the Student Council tried to do as much for the students as possible, focusing more on results rather than on writing the school's constitution. Under the leadership of our new president, Joyce Randall, the Student Council became allied with the Pep Club, thereby creating lots of spirited school events. We can all thank our Student Council members for the fun we had at Homecoming, Spirit Week, Dances, Casino Night, PE Appreciation Day, Senior Smorgasbord, etc.

Middle School enjoyed a great season! There was a large turnout of participants, and as a result we were able to field two teams; evidence of a building program! The teams gave consistent effort and proved to be winners both on the field, and in the way they handled themselves as athletes. Not only did the team represent the school well in their ability to play soccer, but they proved to have excellent sportsmanship as well. The team has set a precedent for years to come.

North Shore volleyball was the hottest, most pumped-up team in the league. There was NO OTHER team with the sassiness and pizzazz.. Volleyball really benefited from new, more “hardcore” coaches. Woo, Collias, and Valmadre really pushed the varsity and jv teams to reach their potential. Led by the awesome play of Murray, Rooney, Fitzgerald, and Parker, the Raiders really “killed” their opponents. Keep the spirit, baby!

# Upper School Field Hockey

The field hockey team had an amazing season. Every player had an enthusiastic, positive, and hard working attitude and, as a result, we were very successful. We scored over forty goals in total, posted numerous 5-0 and 8-0 victories, and placed second in the Independent School League. In the Sectional Tournament, we put up an awesome fight against the number one team in the state after scoring the first goal of the game. Five members of our team were named to the All Conference First Team and three members of our team (seniors Katie Bearman, Christine Castilla, and Emily Yates) were named to the All State First Team. NSFH rocks!

# Upper School Tennis

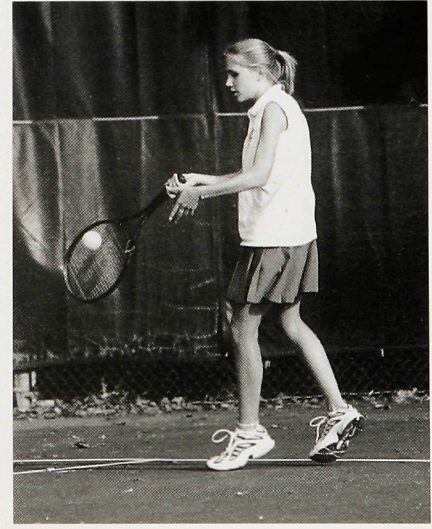

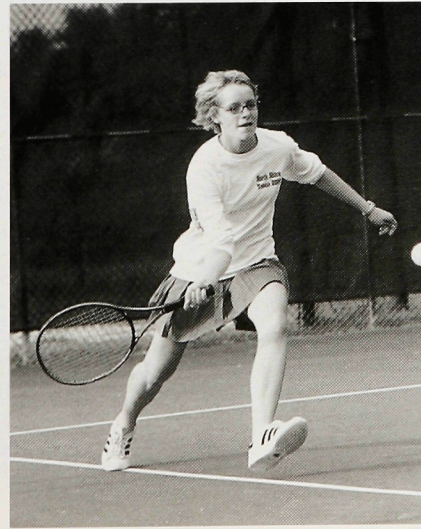

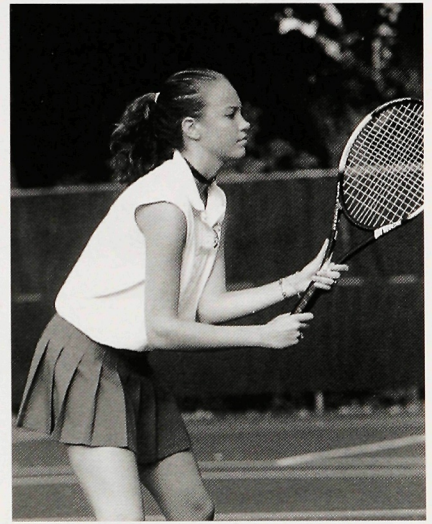

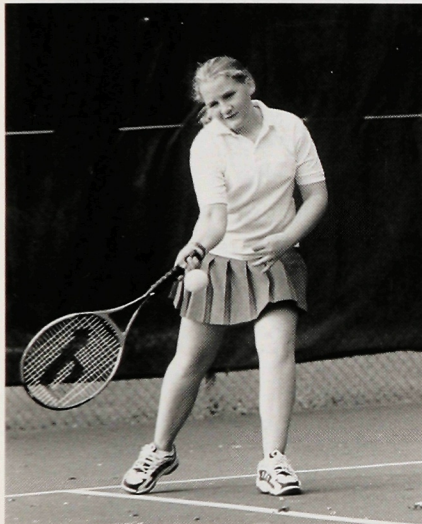

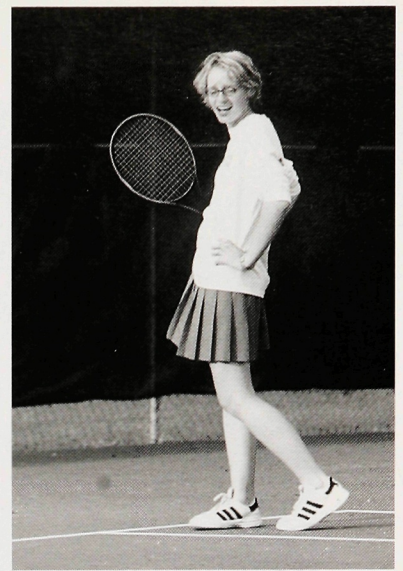

**Row 1:** Lizz Lehman, Jessica Gerber, Anne Levy, Laura Uhler, Sarah Blenner, **Row 2:** Naomi Hattori, Emily Breece, Quinn Anderson, Jessie Regunberg, Jaime Powers, **Row 3:** Colin, Helen Schweitz, Janet Shroeder, Carola Melcher, Lydia Uhler, Sade Balogun

Tennis had a great season. For the first time they fielded Junior Varsity and Varsity teams and ended up 5th in their conference. Even with the loss of its FABULOUS seniors, tennis is going to have a great future.

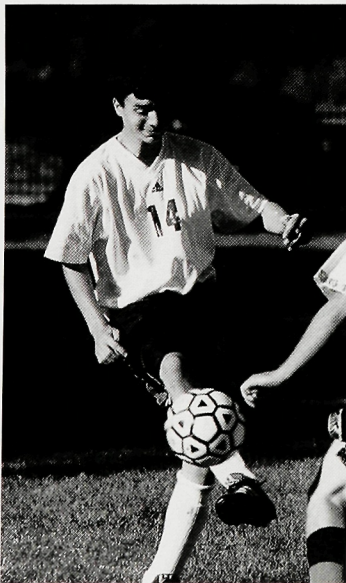

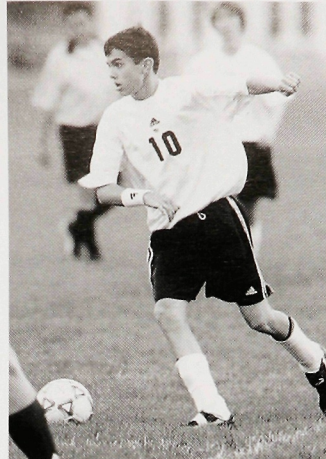

## Upper School Soccer

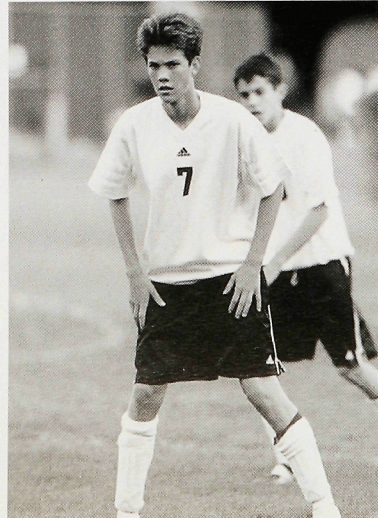

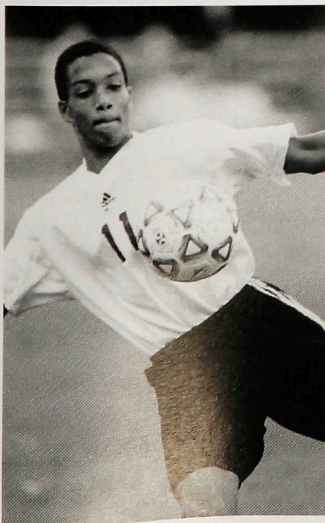

**Row 1:** Owen Zinaman, Max Patinkin, Benjy Blenner, Henry Webster, Seon Woo Chang, Matt Downe, Wan Lee, Daniel Killian, **Row 2:** Mirshal Vite, Seyamack Afzali, David Steinrueck, Jacob Gube, Brian Cagan, Noah Furman, Aaron Morris, Rygel Corradi, Ned Whalley, **Row 3:** Coach Gudeman, Jake Rheinfrank, Andrew Hill, Alex Kerr, Jeff Thomas, Mike Mc Nitt, Tim Powers, Coach Potempa

This year soccer had a successful season. They worked to rebuild the team while also perfecting new strategies and styles of playing. The team got along well and they enjoyed the season very much. Next year looks to be an even stronger year, even with the loss of their senior leaders.

# Upper School Football

**Row 1(left to right):** Todd Searle, Stuart Colman, Robert Eifler, Adam Zwain, Andy Vail, Ben Kegan, Garrett Wulfsohn, Michel Moreau, John Szymanski. **Row 2:** Kevin Costello, Anand Patel, Tony Zwain, Stepan LaCombe, Alex Greenough, Joe Kim, Henry Gaud, Robert Butz, Ross Blumenfeld, Michael Murtaugh. **Row 3:** Coach Jay Bach, Brendan Leonard, Brian Jessen, Jordan Fisher, Stan Gray, Eric Alexander, David Reitz, Tim Callahan, Dan Murphy, Coach Jim Deuble.

The Raider's football team had a very successful year. Lead by senior captains Joe Kim, Brian Jessen, and Eric Alexander the team matched the success of the playoff team of two years ago. Finishing with a 9-1 record, the Raiders beat Williams Bay for the first time since 1990, and had a home playoff berth in the 1A State Playoffs. The Raiders had an explosive offense behind tailbacks Joe Kim, Henry Gaud, Jordan Fisher, fullback Michael Murtaugh, and quarterback Brian Jessen averaging close to 27 points a game. The defense, lead by leading tackler Eric Alexander, allowed an average of 11 points per game. Cornerbacks Anand Patel and Tony Zwain covered the deep zones, keeping arial yardage to a minimum.

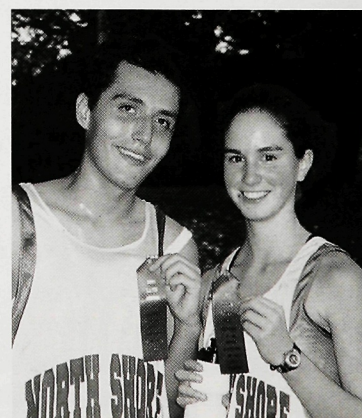

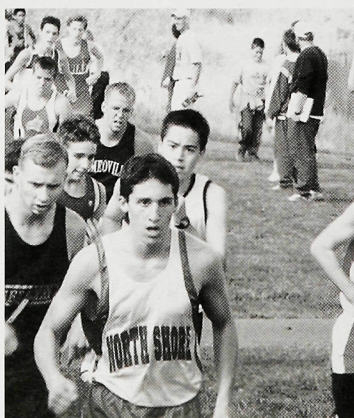

# U.S. Cross Country

**Top row (L-R):** Coach Dachille, Gligor Cvetkovski, Andrew Meador, Jared Mondschein, Coach McHugh; **2nd row:** Kara Rota, Mary Rowley, Elizabeth Brantley, Emina Duzo; **3rd row:** Peter Fine, Luke Strauss, Max Dunn

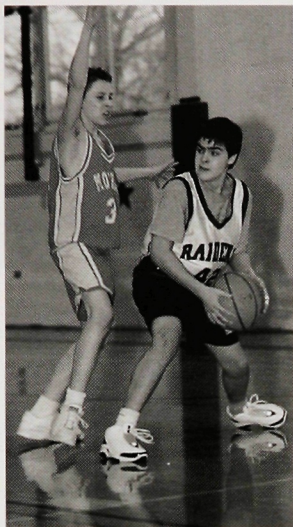

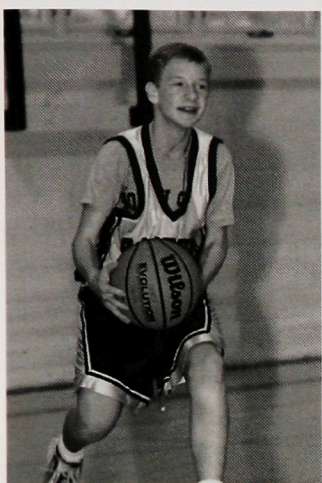

The cross country team had a terrific first season. Ten runners trained and raced from preseason to the end, and four even made it to the sectionals! Through the able guidance of coaches Mr. Dachille and Mr. McHugh, they created a great foundation on which to build for years to come.

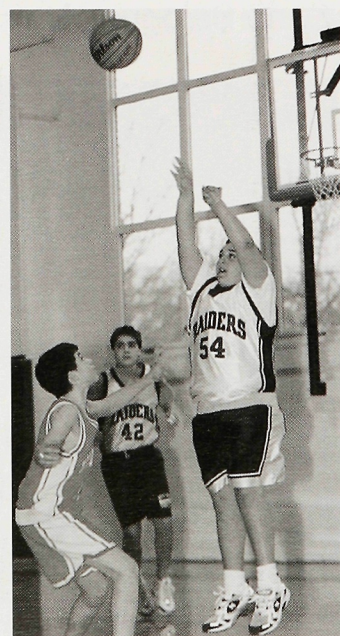

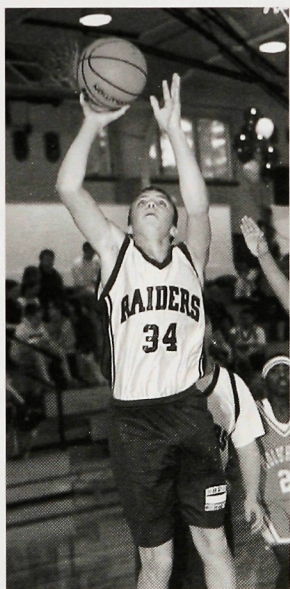

# MIDDLE SCHOOL BOYS BASKETBALL

MIDDLE SCHOOL BASKETBALL WAS A GREAT EXPERIENCE FOR EVERYONE WHO PARTICIPATED. THIS YEAR WE HAD A GREAT DEAL OF INTEREST IN THE PROGRAM. AS A RESULT WE WERE ABLE TO HAVE THREE TEAMS, ONE FOR EACH GRADE LEVEL. THE TEAMS SHOWED TREMENDOUS IMPROVEMENT FROM LAST YEAR, A TESTAMENT TO THE GROWTH OF THE PROGRAM, AND ALL THOSE INVOLVED.

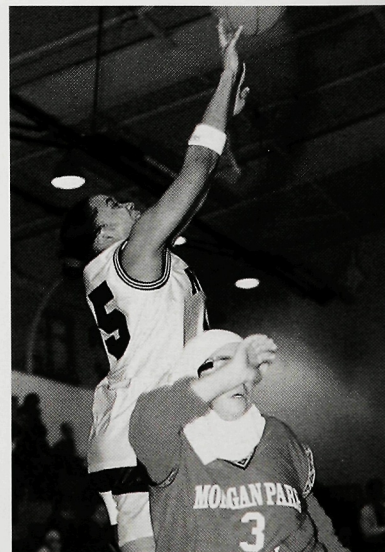

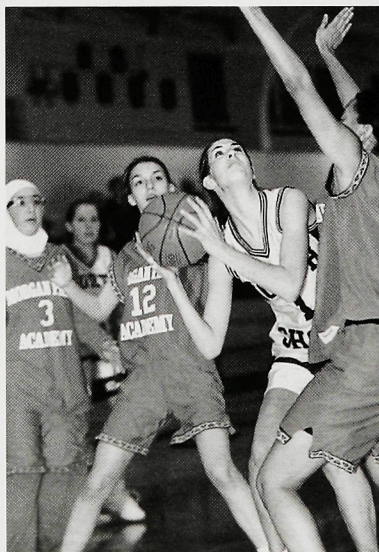

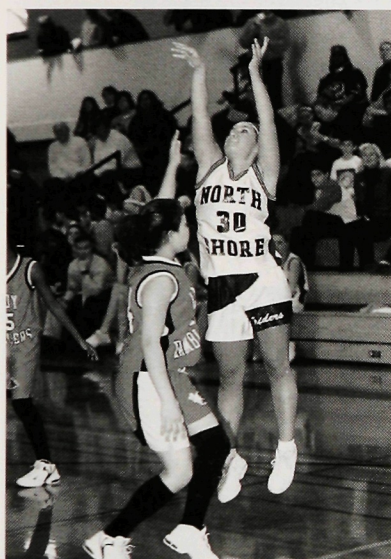

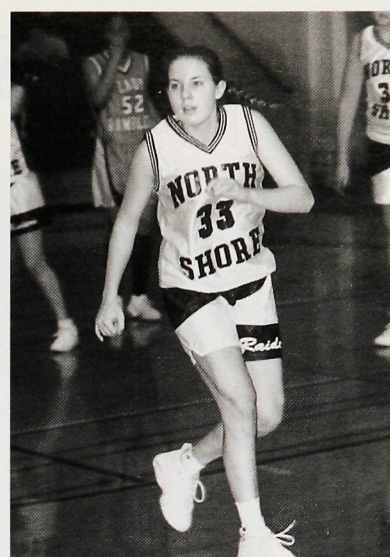

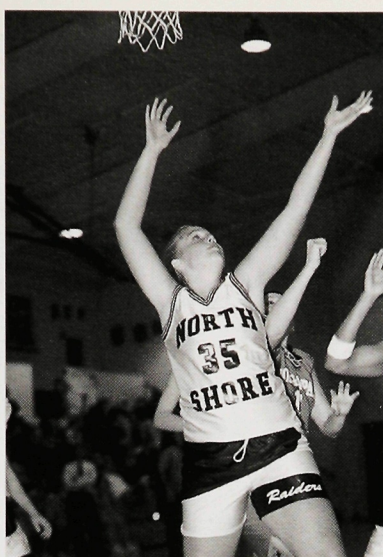

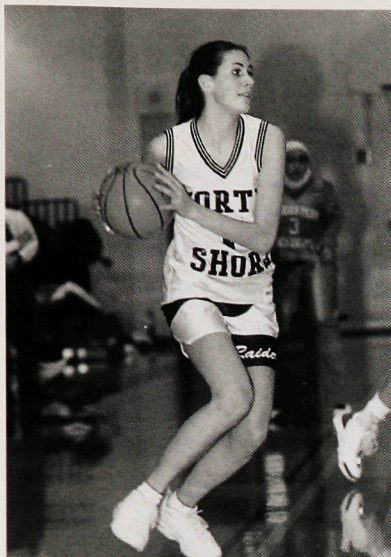

# Upper School Girls Basketball

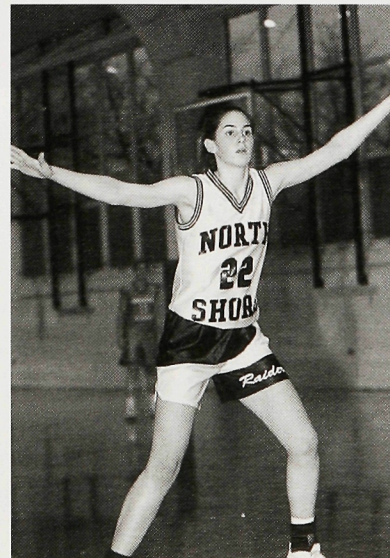

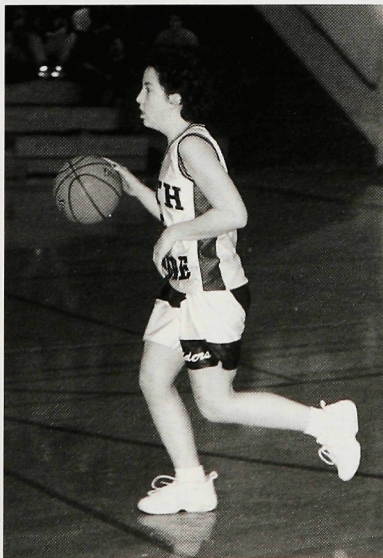

**First Row:** Gaby Jimenez, Susan Lee, Christyn Ambrose, Allison Kaplin, Naomi Hattori, Rachel Cahan, **Second Row:** Emily Yates, Nickey Rodin, Christine Castilla, Janet Schroeder, Carola Melcher, Yaosca Chimurenga, Mickee Murray, **Third Row:** Coach Schmidt, Rebecca Lockhart, Carly Verhey, Sade Balogun, Amy McGregor, Coach Wirtz, and Coach Ross

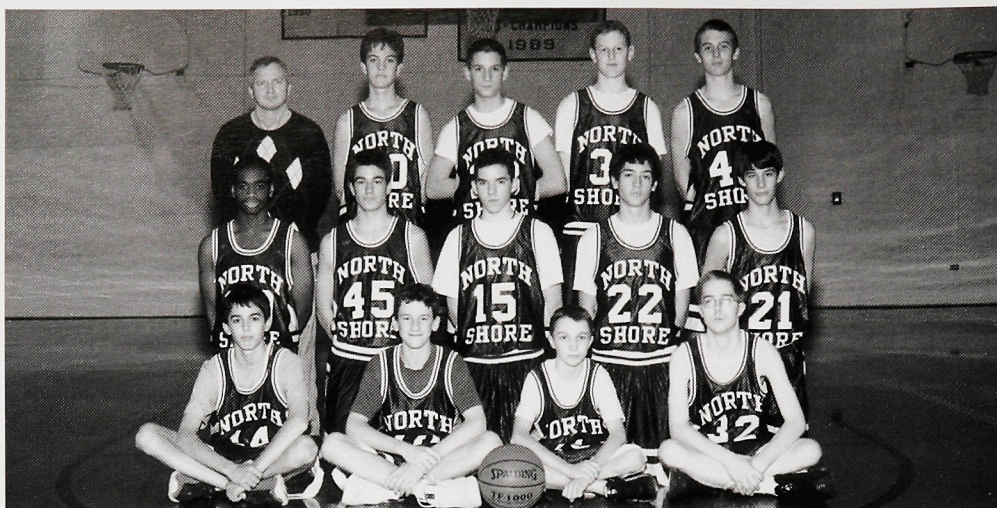

This year's girls basketball team had an incredible season. Leadership was provided by four seniors: Christine Castilla, Mickee Murray, Naomi Hattori, and Emily Yates. The team had a number of games where their experience, combined with the height and strong play of underclassmen Verhy, Lockhart, and McGregor, led them to convincing wins. They ended the season as Co-Suburban Independent League Champs, and made a nice run in the State tournament, reaching the Regional Finals for the first time in fifteen years.

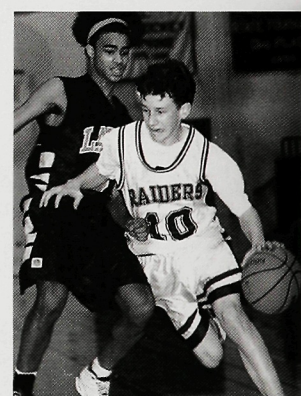

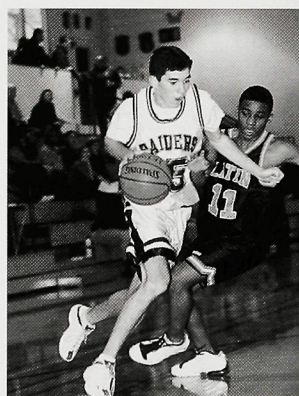

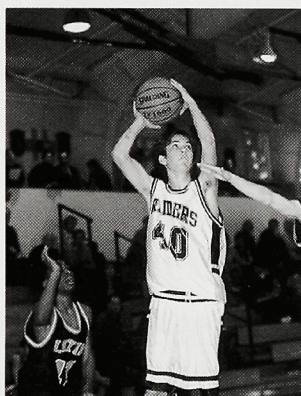

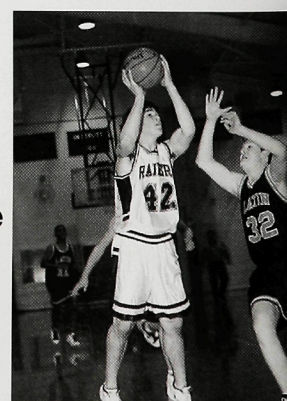

# Upper School Boys Basketball

JV Basketball Team: **First row** : Dan Killian, Charlie Doar, Andy Vail, Nathan Fivecoat. **Second row** : Michael Moreau, Dan Keagan, Kevin Costello, Jared Mondshein, Daniel Rahill. **Third row** : Coach Dachille, Tim Powers, Mike McNitt, Ryan Randolph, Tim Callahan.

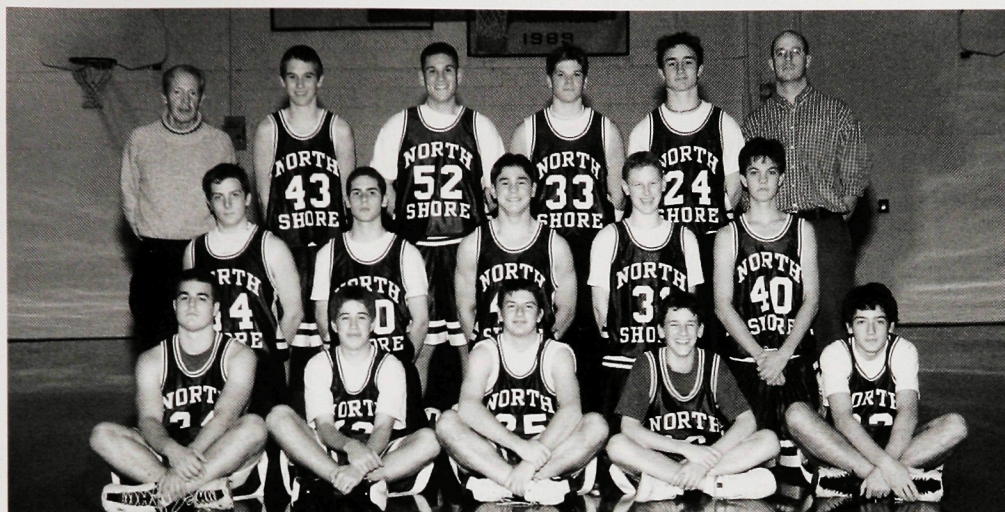

Upper School Boys Basketball started off slowly this year and then really picked up the pace. Unfortunately it was Coach Schneider's last year, but we made him proud by ending the season third in our conference. In addition to good teamwork, we could not have done it without the great support from the community. There are a lot of talented underclassmen on the team, so even with the loss of seniors Jessen, Flayton, Cagan, and Alexander, the future looks bright for North Shore Boys Basketball.

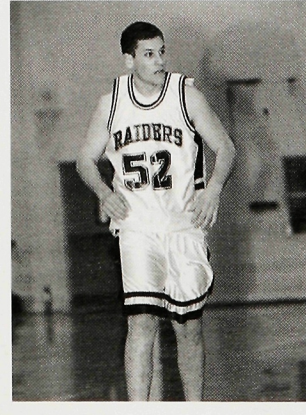

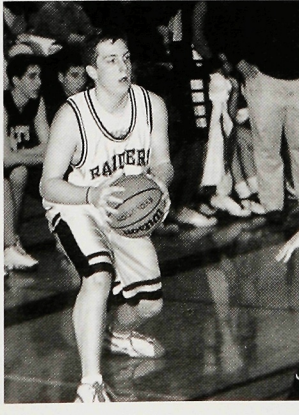

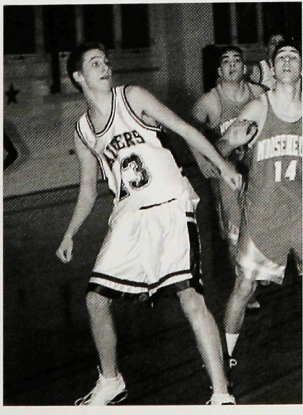

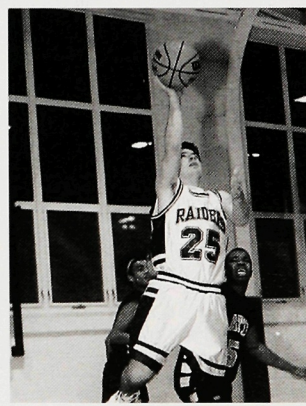

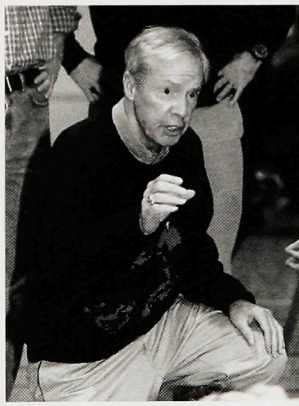

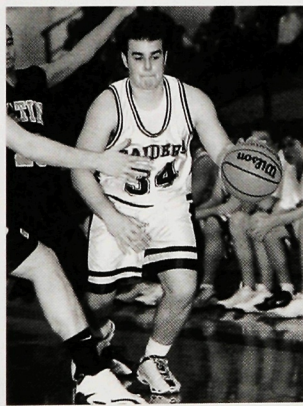

# Upper School Boys Basketball

Varsity Basketball Team: **First row (l-r):** Eric Alexander, Garrett Wulfson, Lee Flayton, Charlie Doar, Jared Mondschein. **Second row (l-r):** Jeff Thomas, Andrew Hill, David Reitz, Ryan Randolph, Tim Powers. **Third row (l-r):** Coach Schnieter, Tim Callahan, Bryan Cagan, Brian Jessen, Danny Murphy, Coach Forbes.

Bob Beerheide  
Business Manager  
(ret)

After 22 years of service to North Shore, Bob Beerheide hung up his calculator. Maureen Toomey took over full time in December, as Mr Beerheide headed off for the warm Florida sunshine. At his retirement roast, friends old and new took parting shots at the man who guided the school financially through fat times and lean. His ability to balance budgets and to find dollars for needed projects is the stuff of legend.

# Administration

In his second year as Headmaster, Mr. Doar has worked to establish a path for North Shore which will lead the school well into the 21st century while retaining many of the Progressive ideas and practices for which our school is known. Division heads bring more than three quarters of a century's worth of collective teaching and administrative experience to the task of nurturing the vision of a school committed to the moral and intellectual development of its charges.

Sixth graders had a great school year. With the jump from Lower to Middle School came many questions, but this year's class was able to figure things out quite easily. They were able to strengthen old friendships while forming new ones. These new Middle Schoolers worked hard and got a lot done. Their favorite projects included the banking unit, the body project, and the medieval project.

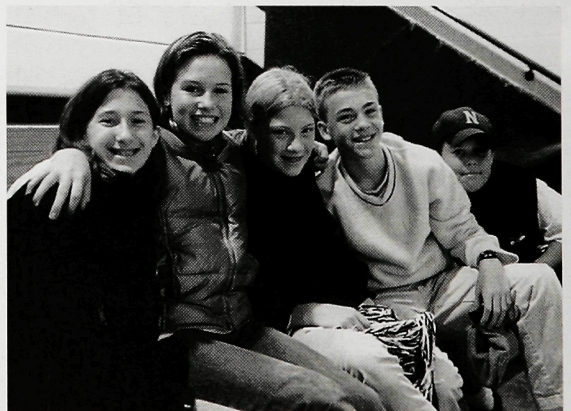

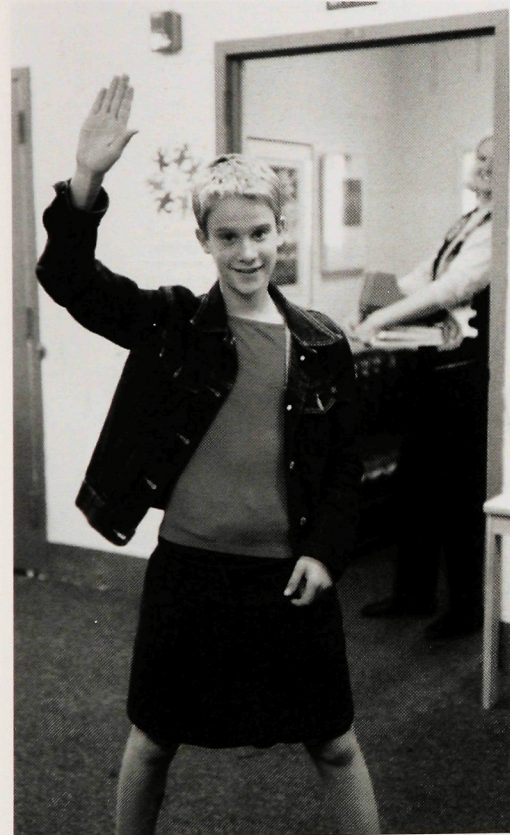

# Seventh Grade

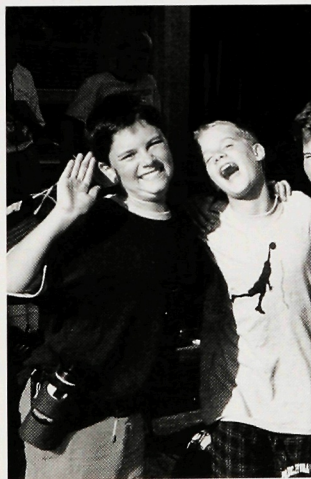

**Row 1:** Ms. Rintels, Jamie Leslie, Conor Hulseman, Avery Russell, Jon Michalczyk, Idalia Gabrielow, Jeannie Slezak, Abdul Rayman Abutaleb, John Wiltshire-Gordon, Mr. Leesch, **Row 2:** Horace Grant Jr., Samantha Kindler, Camille Snyder, caroline Wilson, Alex Kahnweiler, Victoria Crawford, Will Smith, Brendan White, **Row 3:** Rachel Smith, Meredith Price, Kevin Castilla, Charlie Mc Gillivray, John Elam, Bill Reitz, Michael Kotler, Garret Biemer, Lauren Koenig, **Row 4:** Christina Lee, Xandy Vertrees, Claire Manoogian, Emily Finlay, Dustin Holloway, Ben Wampler, Ave VerBockel, Candace Hanson, Maddy Lockhart, Caitlin White.

The seventh grade had a great year. From the casual settings of socials to the formality of everyday life, they have had a lot of fun. They have been studying American History, learning pre-algebra, and getting a lot more homework. They have established new friendships, and continued existing ones. The seventh grade is looking into the future, excited about high school on the distant horizon.

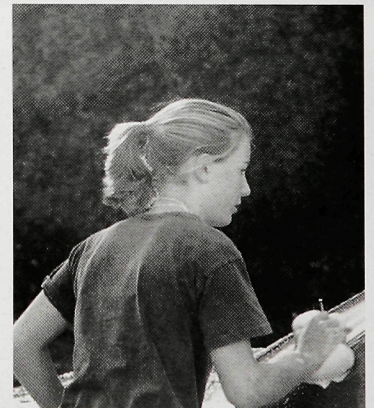

# Eighth Grade

**Row 1:** Mr. Forteith, Kelly Krier, Jon Mulder, Alexandra Land, Allison Morris, Albert Price, Gibbs McCullaugh, Priya Patel, Mr. Block, **Row 2:** Emily Kidd, Noah Swartz, Tyler Whitmore, Zandy Schursh, Robbie Penzell, Jordan Propp, Lauren Lowinger, Max Verhey, **Row 3:** James Kinnaird, Kelsey Andersen, Lydia Burnett, Carey Martin, Ben Tullman, Kit Callahan, Krista Klotter, Christine Perkins, Kate Kegan-Cook, **Row 4:** Caroline Boneham, Ian Lowe, Musab Siddiqui, Ben Horwitz, Brian Macpede, Nico Gibson, Zara Klaff, Claire McGregor, Mullery Doar, Ben Neithercut, **Absent:** Lili Ferguson

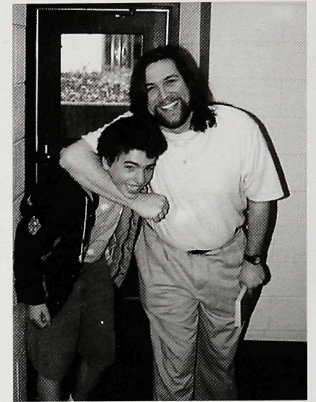

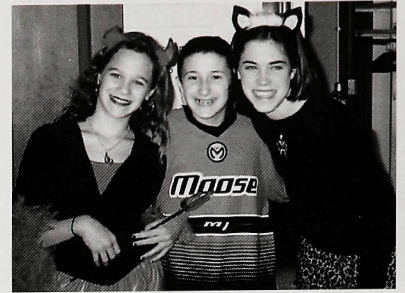

Eighth Grade was an astounding year! Every day we would start out with a very social homeroom followed by a day's work. One of the very memorable highlights of the year was the trip to Washington DC. All we did was laugh and learn. (Except for that bus accident...) But before that we had to raise money for the wonderful trip. We did this by holding a car wash. Although it was freezing cold we raised a lot of money.

But of course, what's school without the teachers? Mr. Block and Mr. Forteith were hilarious. They pushed us to do our best and were always kind. Eighth grade brought out the best in everyone. We all bonded into one big happy family! Thank you Mr. Block and Mr. Forteith for being such wonderful teachers. Eighth grade was a blast and we will always remember it.

The ninth grade class bonded while rapping and slapping at mosquitos at the freshman outdoor ed. Then again, who could forget how we decorated the garden floor as 'hell' for homecoming? We've had a blast this year, but we're looking forward to sophomore year and "introducing" the freshman to high school. Over all, it has been a great year!

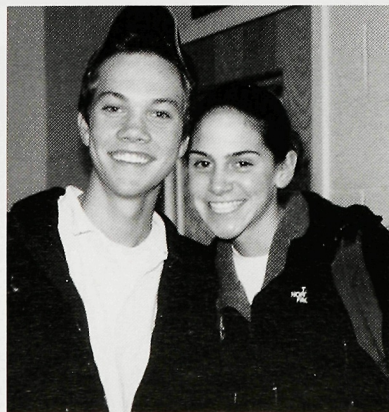

# Tenth Grade

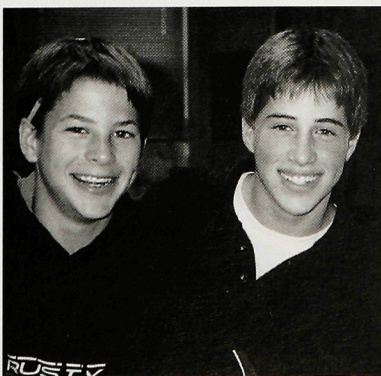

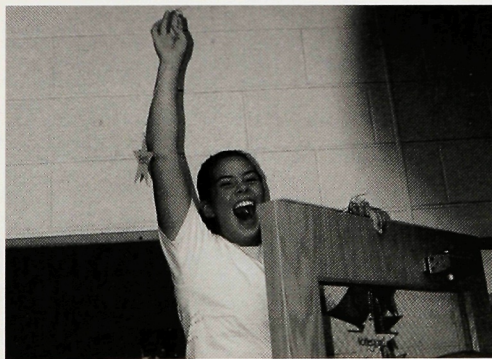

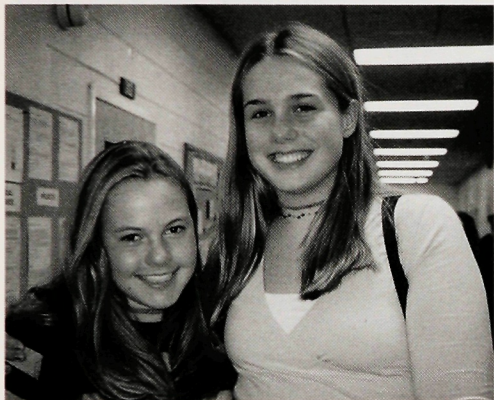

**Row 1:** Max Patinkin, Christyn Ambrose, Kristina Mulder, Graham Gottlieb, Max Dunn, Ann Levy, Maryann Gunaratnam, Sarah Cody, Jessica Gerber, Quinn Andersen, Rachel Cahan, Mrs. Herrera, Mr. Poholsky, **Row 2:** Quinnetta Bellows, Laura Hansen, Elizabeth Lehman, Edie McClenahan, Conor McDowell, Ann Davis, Sarah Davidson, Janet Schroeder, Christina Wilson, Garrett Wulfsohn, **Row 3:** Michael Murtaugh, Wan Lee, Katie Szymanski, Seonwoo Chang, Emily Herzberg, Carly Verhey, Emi Neithercut, Matt Downe, Ned Whalley, Amy McGregor, Kendall Wirtz, **Row 4:** Alex Kerr, Nathan Fivecoate, Ben Bezark, Michael Moreau, Ryan Randolph, Jared Mondschein, Tim Callahan, Rebecca Lockhart, Tim Powers, David Reitz, Michael McNitt, **Absent:** Charlie Swift

Sophomore year is one of those tough years. The novelty of freshman year has worn off, and college is too far away to look forward to. However, the closeness felt among one another got them through it. Many individuals were able to step up and assume leadership positions both on and off the field. Several were recognized with sportsmanship awards, while others organized and managed clubs and special projects. The class has a unique sense of community that has grown and will continue to strengthen in the years to come.

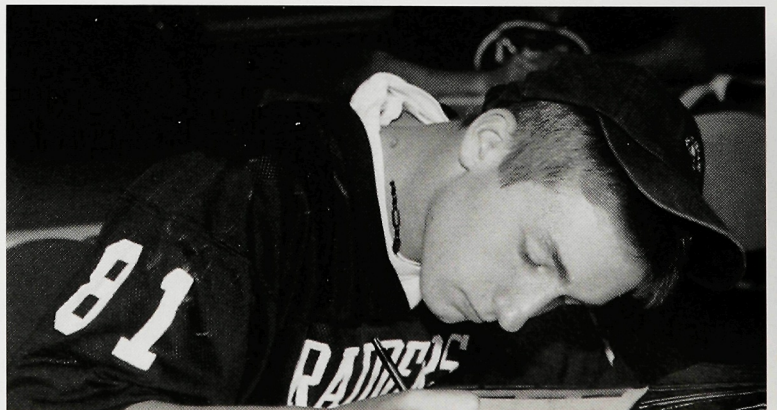

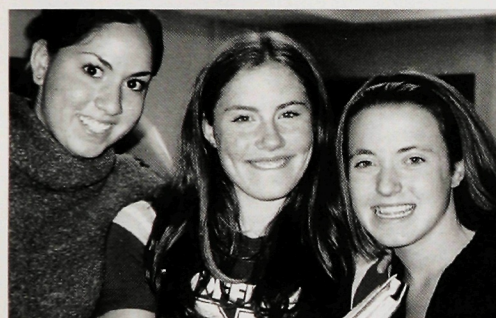

# Eleventh Grade

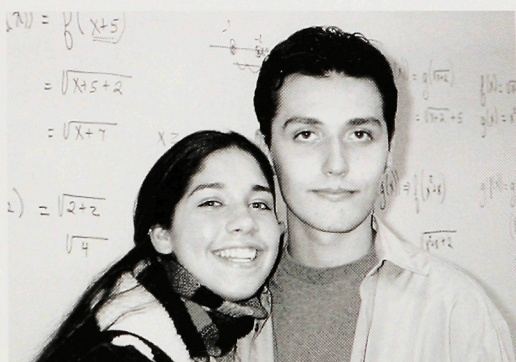

**Row 1:** Allison Kaplan, Laura Harris, Carolyn Hardiman, Elizabeth Brantley, Molly Whiteman, Abigail Smith, Elyse Mc Kay, Emily Brosious, Carola Melcher, Bonnie Watt, Mr. Skalinder,  
**Row 2:** Marilyn Bonilla, Sarah Blenner, Gabriela Jimenez, Michael Halper, Luke Strauss, Gligor Cvetkovski, Brielle Collins, Seyamack Afzali, Justin Rheinfrank, Hannah fenley, Daniel Paushter, **Row 3:** Jamie Vail, Daniel Shatz, Henry Webster, Chase Duerson, Jeff Duerson, Jeff Thomas, Mirshal Vite, Charles Doar, Henry Gaud, Philip Martin, Helen Schweitz, **Row 4:** Ross Blumenfeld, Ross Matsuda, Will Foley, Andrew Hill, Daniel Murphy, Nicholas Whalley, Aaron Morris, Isaac Gube, Katy Costello, Carly Gerstman, Stephen Cooperman, **Absent:** Anderson Hazlett.

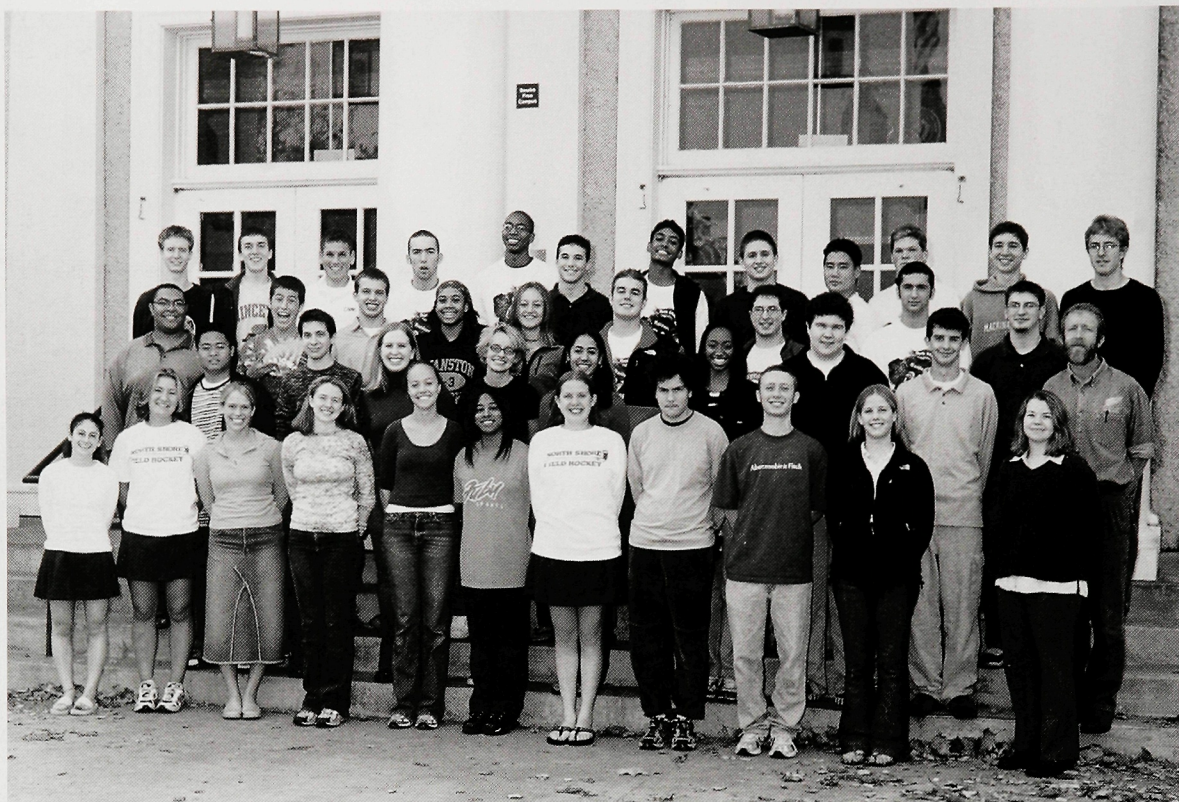

Junior year got off to a great start! There was a plethora of new students, but everyone fit in with ease. It was great to see how well everyone, familiar and unfamiliar with the school, got along. Many participated in prom fundraisers, including the junior services auction, candy cane-grams, and valo-grams. We worked hard on keeping the junior store well-stocked and hopping with customers. All in all, junior year was productive, successful, and fun!

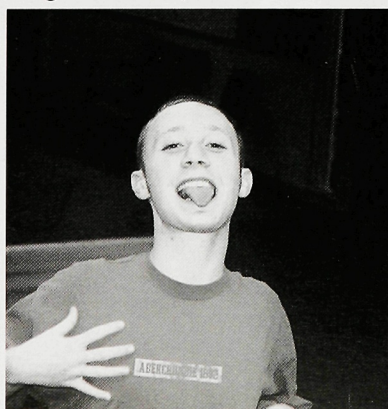

# Twelfth Grade

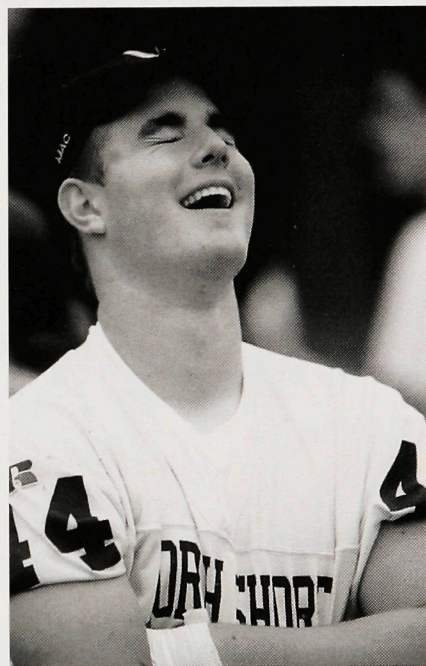

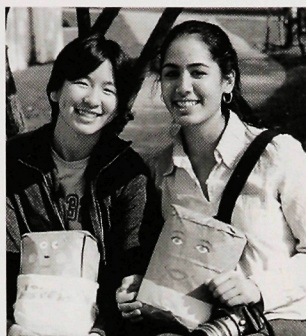

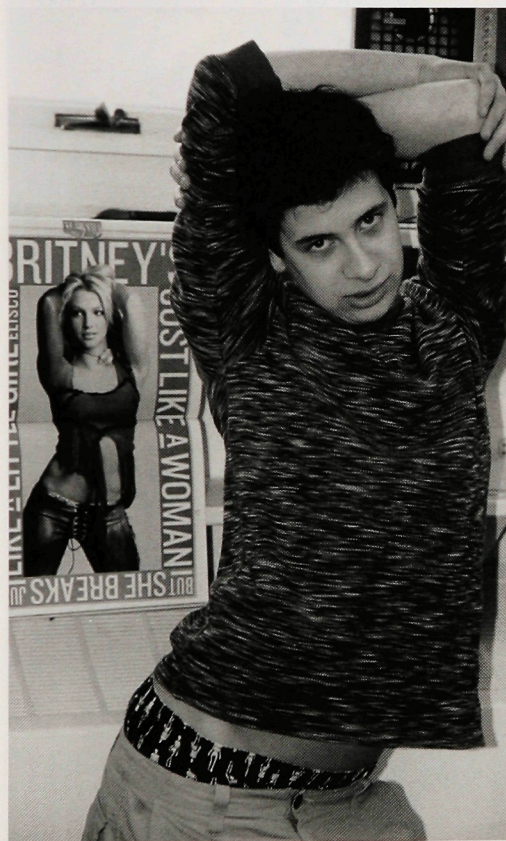

**Row 1:** Katie Bearman, Emily Yates, Kate Levine, Katie Rooney, Jamie Powers, Ciera Simmons, Christine Castilla, Peter Fine, Benjy Blenner, Emily Breece, Ms. Drea Pedisich. **Row 2:** Jacob Gube, Michael Lehman, Emily Fitz-Gerald, Lydia Uhler, Meera Sinha, Joyce Randall, Nate Flint, Robert Rex-Waller, Mr. Smith. **Row 3:** Tony Collins, Noah Furman, Derk-Jan Hageman, Mickeya Murray, Emina Duzo, Eric Alexander, Evan Birnholz, Tony Zwain, Lee Flayton. **Row 4:** Steve Jablonski, Andrew Meador, Bryan Cagan, Brendan Leonard, Stan Gray, Jordan Fisher, Anand Patel, Robby Bonow, Joseph Kim, Brian Jessen, Mathew Ozmun, Jake Rheinfrank. **Absent:** Dorian Daniels, Naomi Hattori, Kristine Offut, Lauren Segal, Vicki Syal.

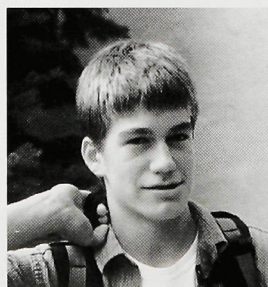

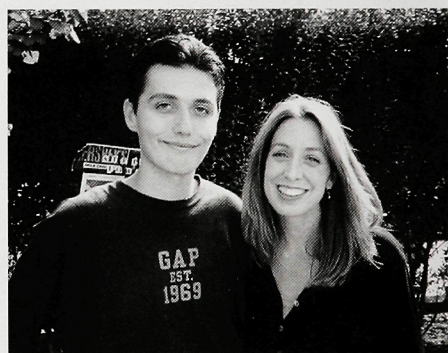

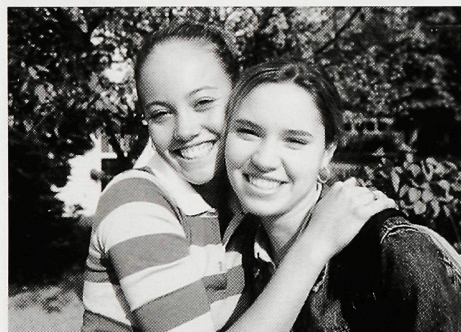

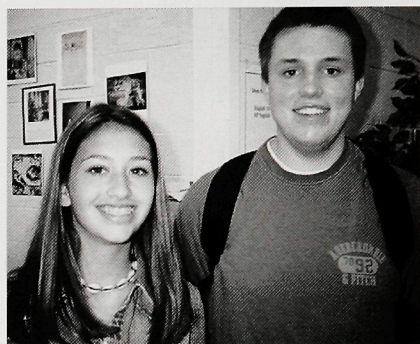

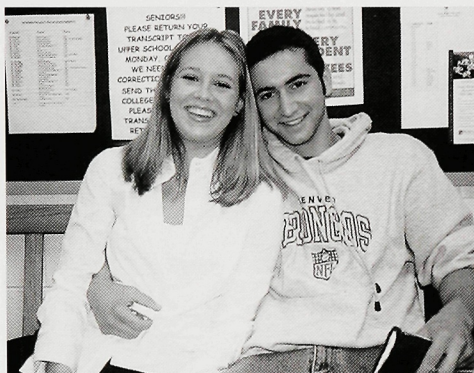

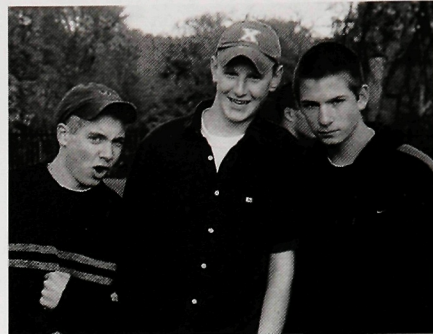

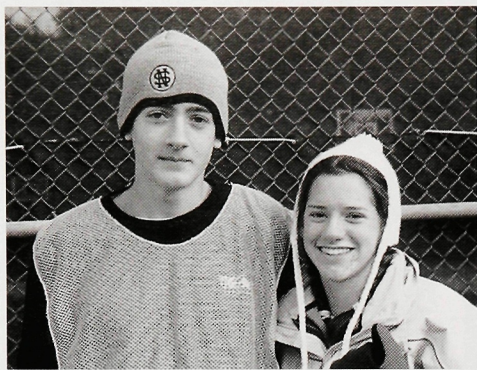

It was well worth the wait to become a senior. The highlights of the year were spending time with buddies, the senior homeroom (with **real** furniture), new privileges all around, serving at Wealshire, and the whole college process. This year's class felt the utter joy of being accepted and the tears of being rejected to schools long dreamed of. Good luck to the seniors as they move on to college or whatever else they choose to do! Their leadership and presence will be missed next year!

# Foreign Exchange Students

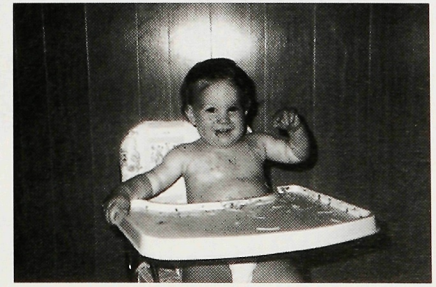

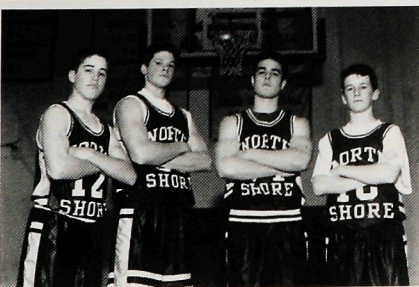

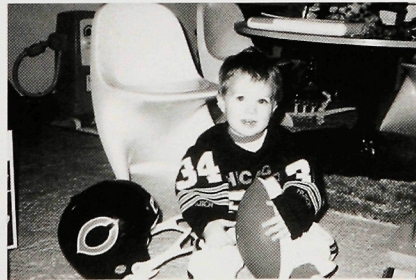

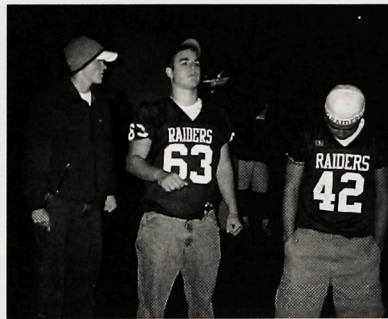

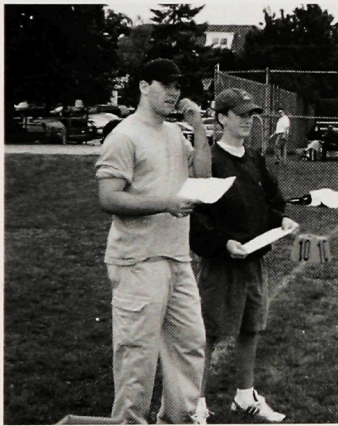

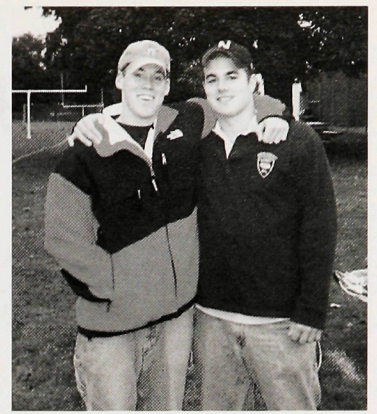

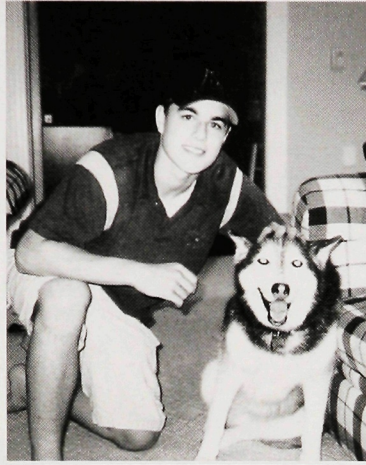

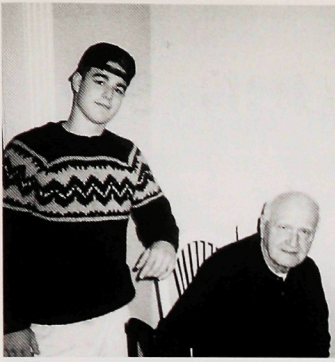

This year North Shore Country Day School hosted two foreign exchange students, Gligor Cvetkovski from Macedonia and Carola Melcher from Germany. Both students arrived in the United States, nervous about their new living environments for the next year. Luckily all fears were put to rest when they met their host families, for Gligor the Gottliebs and for Carola the Holloways. Since then Gligor and Carola have done an amazing job fitting into the American school system and way of life. They will really be missed next year, but we hope that we will see them again in the future ... perhaps at an American college?

## The Road Not Taken

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;  
Then took the other, as just as fair,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Has worn them really about the same,  
And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.  
I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I--  
I took the one less traveled by,  
And that has made all the difference.

**Mom and Dad:** Thank you for everything. You guys have been through some tough times with me, but thanks for picking me up and putting me back on track. I have been a bit of trouble, but we made it. Thanks for being loving and understanding parents. One day I will realize what you guys have really done for me. When I do you guys can expect a new house and some new cars. I love you guys.

**Jeff:** You are my little brother, and you are bigger than me. Man, you have grown. Remember, as your body grows so does your mind. I have cleared the path for you. Take that to your advantage and do things that I could never have done. I know you will be successful one day.

**Ash (My Princess):** Baby, where would I be without you? Lost in this world of fear, loneliness, and hopelessness. Princess, you are my rock, you are the love of my life, and you are the hope that I need to succeed. I couldn't have come this far without you. Future is a mystery, but I know that I want to take that mystery on with you by my side. Be with me for eternity, because for eternity is what we are.

**Scotty B:** Deuce for Life. I thought things were going to be shaky after you left, but we have managed to still be the best of friends. You have been there when I needed you the most, and I love you for that. Although you may not be blood, you are my brother and a part of my family for life. I've got yours and you got mine. Deuce, and you are the man. (Fiji Man).

**Brian J.:** Shoot, it was only yesterday when we were in fifth grade at the country day fair wondering who would be the first to kiss Monica. Have we grown or what? Probably not. That is the best thing about us bro. We have made it nine years and here we still stand as best friends and brothers. I love you man. Remember NWG, that is what is going to make us brother after high school and for the rest of our lives, don't forget that.

**D-J:** It has been choppy, but look where we are now. I am sad that I didn't know you for longer, but I am happy and honored to have been friends with you for the time that we have known each other. D-J, I could ask nothing more from a 'brother' than you have given to me. Your talks about life, and your openness to listen, is what always astonished me about you. You have something that not a lot of us have, you have a really good chance to succeed and I know you will. Keep doing what you do, and your time will come. I promise.

**P.J.:** I have never had an older brother, and guess what? I found one. P.J. you have been the older brother that I have always wanted. You took care of your little bro, that's me, when I was down or when I needed a helping hand. Thank you. Brothers for life.

**Spinner:** Spin, "remember the times", need I say more? Memories are what it is all about and you and I have only just begun. We still have a lot more memories to make together. Brothers never lose each other, and I know I will never lose you man. One thing that I have learned from you is, "Keep your head up high", and because of you, I know that if I keep my head up high good things will come. I love you man.

**Anand:** It has been one hell of a trip. We have done it though. You know what I am talking about. Things that we can't control have slowed us down, but I know that you have been right there pushing me to keep going. I just hope that I have done the same to you. My brother for life.

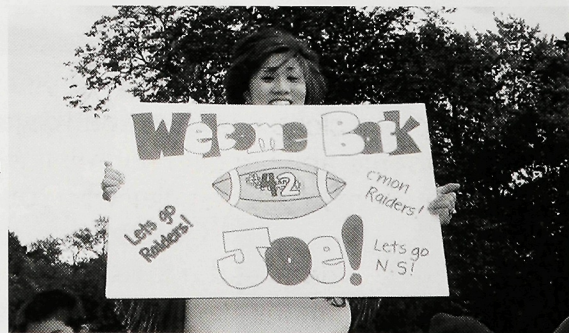

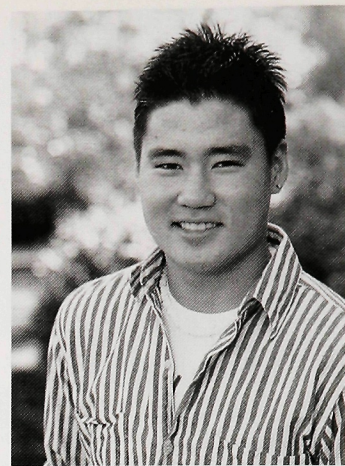

**Fish:** The one and only fish. Fish you are a character and you are a brother. Thank you for being the way you are, because without you, my life would be boring. You and I are brothers forever, no matter what happens between us.

**Eric:** What? You want to start? That is what I thought. Honestly, you know that you and I have an understanding. We are cool with each other and we don't let stupid misunderstandings get in between us. You are my brother for life, and you have been a good friend to me. Thanks.

**T.Z.:** The only man I know that would be cool if he got his wallet stolen. Tony, you are the man. We have been through a lot of things together. Our lives are so much alike and you know what I mean. Keep listening to your heart, because you got a good one; brothers for life.

**Brendan:** You are a funny guy. You make me laugh. But that is not why I love you. You are genuine. You are unique. I know that you will be there for me if I ever need you, because you are like that, you are a good friend and a brother.

**Mr. And Mrs. Jessen:** You guys are my second mom and dad. You have taken me under your roof and your wings and taken care of me like a son. For that I will forever be thankful, and forever appreciative of you guys. Thank you for being so kind and such great parents, because you guys have made an impact on my life that I will never forget. Thank you.

first, i want to give credit to my mom and dad who have generally supported me throughout my adolescence and have brought me so many good things to my life that this whole year couldn't recount them all. i love you and thank you for being there for me.

lizzy: you're a great little sister. i've always admired you and always appreciated your presence. when i'm not around, stand up for yourself, ok?

jon: even though we've had a very lackluster relationship, i'm very happy that things are starting to look up. let's be friends, okay?

kristine: there's no need in saying goodbye because we both know that we're in it together for life. you're a great friend and you're one of my most favorite people in the world. so boo boop.

christine: whether it was blabbering on about christina aguilera or berating about whatever teacher i hated for the moment, you always were patient enough to listen to me and be my friend. gurllll, you know it!

meera: after 17 years, we still have managed not to kill each other (though i'm sure i've made you come pretty close a few times.) thanks for putting up for me and i'm glad our relationship has evolved from family friends to real friends.

emina: you're a dear and one of the sexiest girls in the world. thanks for all the laughs.

you see, you can't interfere with destiny. That's why it's destiny. And if you try to interfere, the same thing's going to happen anyway, and you'll just suffer.

lydia: you are a very funny, crazy girl and i'm glad we got to work on dsj together, had all sorts of quirky chats and went to prom twice.

tony: even though we've definitely had our ups and downs, you're still toby to me and thank you for all the advice, friendship and well-needed fashion advice.

dorian: in the oh-too-short time we've had to get to know each other, i've decided one thing: you're more of a treasure than even the most expensive cartier diamond.

joyce: thank you for standing up to me and changing the way i view the world. you are an amazing person and i hope you succeed at whatever you do.

andrew: i'm sure one day we'll be fighting over nobel prizes and fellowships instead of SAT scores, but i've always admired your work ethic. yeah go andrew!

Only Time Will Tell - Asia

You're leaving now  
It's in your eyes  
There's no disguising it  
It really comes as no surprise  
To find that you planned it all along  
I see it now  
Becomes so clear  
Your insincerity  
And me all starry-eyed  
You'd think that I would have known by now  
Now, sure as the sun will cross the sky  
The lie is over  
Lost, like the tears that used to tide me over  
Only time will tell  
One thing is sure  
That time will tell  
Only time will tell  
If you were wrong  
The brightest ring around the moon  
Will darken when I die  
Now sure as the sun will cross the sky  
The lying's over  
Gone, like the tears that used to tide me over

# Vicki Marie Syal

To everyone I've ever met: I have to say thank you, even if your only purpose was to bring me pain, after all what doesn't kill me just give me motivation to be better than you. I'm not bitter, just wiser. Rolling Stones once said: "You can't always get what you want but if you try sometimes you might find that you get what you need." My friends are what I need. To all my NSCDS babes, that I've only really started to know, we still have time. You girls are incredible. You girls are beautiful. Thank You. CC, KO, KB, ED, JP, MS, EY, LU, EF-I might as well list the whole class. Kate Reilly-You are my sister, what more can I say. I love you. Paul-My pookie, thanks for saving my life all those times. I love you. Amanda and Talia-If I taught you half as much as you taught me, I'm glad. I could always count on you girls to be there for me and I'll love you forever. Emily B: My partner in crime, from enemies to soul mates. You are the light...Robert and Tony C-All I can say is remember my basement? You killed my bushes!

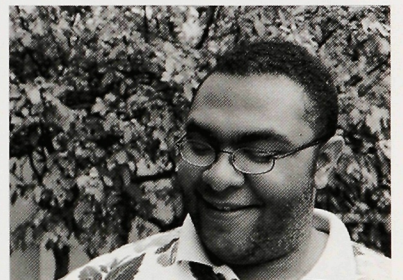

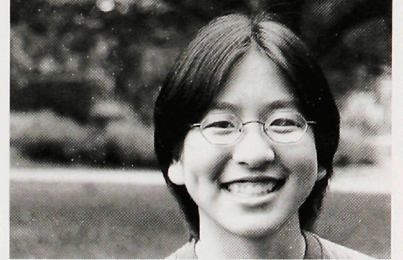

To my family: What can I even say, words that flow through my soul but stay in my mouth, choosing to hide in my heart. Mom and Dad-You put me on this earth, you put me in this school, you always put me in front of your needs, and I am eternally grateful, even after all the things I say and the things I do, my rebellions, my phases...I will always be my parents' girl. Don't ever hold that against me...I need a car...I'm still walking. Alex, you are my closest friend and worst enemy, if that's what marriage is like I'm staying single. I know what you're going through and I just want you to know you can always count on me. I will always be there for you no matter what, you are my brother and nothing will ever come between us...except for that \$6 I owe you, and Taffy my other sibling who provides unconditional love ever if I never pay her back. My family...I love you all, and may be farin flesh but eternally nagging you in spirit, don't worry...no matter where my life takes me...I'LL ALWAYS BE BACK FOR CURFEW.

## Katie Bearman

I have many fond memories of my time at the North Shore Country Day School. These memories include building a Viking ship in Mrs. Ableman's first grade class, and science with Mrs. Cullen. In third grade, I won the Lip Synch show with some of my friends that was really fun. In third and fourth grade, I remember playing "restaurant." The Lower School field days were a great deal of fun as well. I remember having a part in my very first play, *Joseph and the Amazing Technicolor Dreamcoat* when I was in fourth grade. I still cannot believe that my fourth grade egg baby survived.

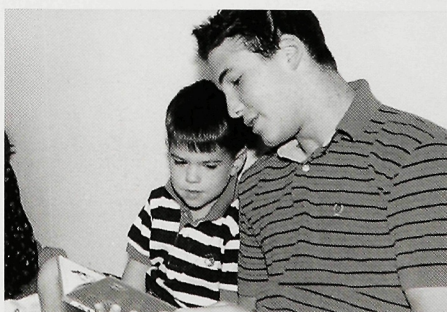

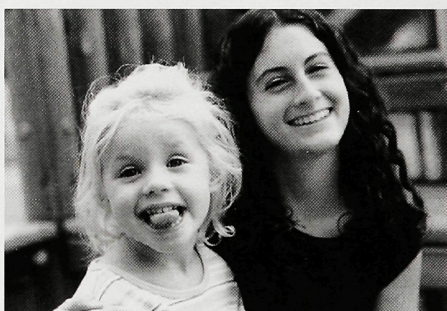

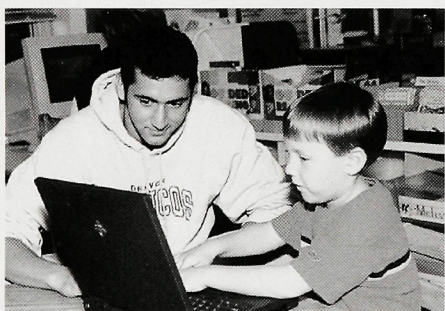

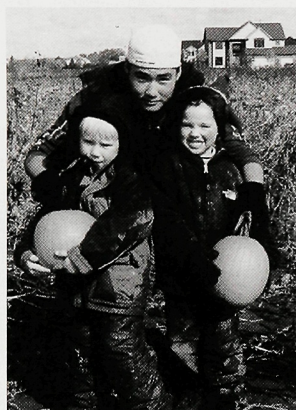

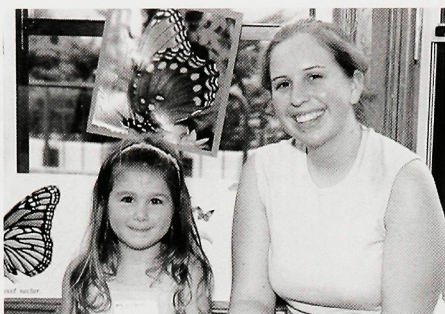

In Middle School, there were always fun trips to go on, including the numerous ski trips, and of course the trip to Washington D.C. The dances were always so full of drama, especially the "Snowball" dances, but they were also very exciting.

My high school career was memorable for many reasons. I will always remember the Mexico trip, and finally getting a JK buddy. I love you Mackenzie, you're the best! I will always remember the seven years of field hockey that I played at North Shore. I've spent twelve really fun years at North Shore, and I am thankful to have had the opportunity to attend such a special school. Although I'm ready to move on, I will miss North Shore Country Day School in a many ways.

# Morning Ex

Morning Exercises is a time for the whole school to come together as a community. During MEX, students enjoy singing, dancing, story telling and theatrical performances. Even though we love to see guests perform, nothing is more exciting than to see a member of our community on stage before us.

I HOPE YOU DANCE

By LeeAnn Womack

I hope you never lose your sense of wonder.  
You get your life fill to eat but always keep that hunger.  
May you never take one single breath for granted...  
God forbid, love ever leave you empty-handed.  
I hope you still feel small when you stand beside the ocean.  
Whenever one door closes, I hope one more opens.  
Promise me that you'll give faith a fighting chance,  
And when you get the choice to sit it out or dance...  
I hope you dance...  
I hope you never fear those mountains in the distance.  
Never settle for the path of least resistance.  
Livin' might mean takin' chances, but they're worth takin'  
Lovin' might be a mistake, but it's worth makin'.  
Don't let some hell-bent heart leave you bitter.  
When you come close to sellin' out reconsider.  
Give the heavens above more than just a passing glance,  
And when you get the choice to sit it out or dance...  
I hope you dance...

.....

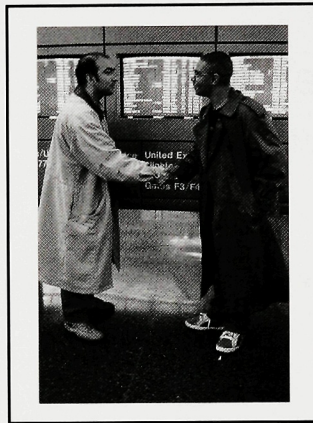

Sit down kid, we need to talk a bit.....

If we thought you were a pickle, you'd be called Vlassic.

If we thought you needed to moon, your uncle would have gotten it for you by now, Vlassic.

If Vlassic was the key to the universe, it wouldn't be on a pickle jar.

Son, looks like we had it right all long. You're going places and you'll be needing car fare!!  
Rest assured, we are behind you all the way. You've never stopped making us proud.

Now make sure you set your alarm clock and don't forget to put on clean socks and underwear - this is a big day kid!

Love always to TONY COLLINS,

From US.
